

Eric Musyoka

Software Developer | IT Graduate | Networking & Technology Enthusiast

ericmusyoka17@gmail.com | +254 710 911 645 | portfolio.stackcrafts.com | emxluz.xyz

PROFILE SUMMARY

I am a passionate and dedicated Software Engineering graduate with a strong foundation in IT systems, software development, technical support, and troubleshooting. I am actively seeking a job or internship opportunity where I can gain deeper practical experience in networking, software development, IT support, and emerging technologies. I am motivated to learn continuously, contribute to technical teams, and grow as a technology professional.

TECHNICAL SKILLS

- Programming: Python, JavaScript
- Web Development: HTML, CSS, React, Node.js, Express
- Databases: MySQL
- Networking & IT: Network troubleshooting, system support, hardware/software troubleshooting
- Tools & Platforms: Git, GitHub, Linux, VS Code, Netlify

PROJECTS & CAREER HIGHLIGHTS

- **Portfolio Website (2025):** Built and deployed a responsive portfolio website using React and Vite, hosted on Netlify.
- **Full-Stack Blog Platform:** Developed a Node.js and Express application with authentication and CRUD functionality.
- **AI Chatbot (2024):** Created a Python-based chatbot using NLP libraries to handle basic user queries.
- **School Management System:** Designed a prototype using MySQL to manage student and staff records.
- **Community Health Tracker Hackathon (2025):** Collaborated on backend development and user authentication.

WORK EXPERIENCE

Freelance Software Developer / IT Support | 2025 – Present

- Provided technical support and troubleshooting for web applications and scripts.
- Documented project issues, solutions, and workflows for clients and peers.
- Collaborated on GitHub projects in team-based environments and applied agile practices.
- Tutored peers in Python and JavaScript.

EDUCATION

Diploma in Software Engineering — Kenya Institute of Software Engineering

2025 – 2026 | **Graduated**

Coursework: Software development, web engineering, database systems, and project management.

KCSE — Ndolo Boys High School

2020 – 2024 | Mathematics, Computer Studies, ICT Club

CERTIFICATIONS

- Git & GitHub Foundations
- Python for Beginners
- JavaScript Crash Course — FreeCodeCamp
- Fundamentals of Databases
